

POND HOCKEY TOURNEY RULES

1. The winner of a captain's coin toss will determine which goal to defend. Teams will switch goals after first half.
2. All players must wear helmets and hockey skates. Protective equipment is optional but highly recommended.
3. No goalie equipment or goalie sticks permitted.
4. All teams must have light and dark jerseys or uniforms. Home teams wear dark.
5. There will be one off-ice pond official to monitor the play (scoring, time, puck reset, and arbiter of infractions).
6. Referees will have the discretion to also award a "penalty shot" to the opposing team when a minor penalty is flagrant and/or a team is consistently playing in a reckless manner.
- Penalty shot will be taken in front of your own goal and must be attempted within 30 seconds of the penalty being called. Anyone on the opposing team can take the shot. The team that is awarded the penalty shot will also be given possession of the puck following the penalty shot attempt (regardless of the outcome of the shot).
7. No checking is allowed. Such action will result in a minor penalty.
8. No slapshots allowed. Such action will result in a minor penalty.
9. Players cannot fall or lay on the ice in an effort to protect the goal area. Such action will result in a minor penalty.
10. Goaltending is not allowed. A player may not patrol, "camp out" or remain stationary in the crease area and act as a goaltender. A defender may deflect the puck in the crease area, but the defender must do so while continuing to move through the crease area. The crease area is defined as an imaginary box extending out four feet from the outside corners of the goal.
11. Contacting the puck with a stick above the waist will result in a loss of possession.

12. Saucer passes (i.e. pucks that are lifted low, below the knee) are acceptable.
13. If a puck goes out of bounds/snow bank, the last team to touch it loses possession. During restart, the defender must give his opponent 2-stick lengths of space.
14. There are no off-sides or icing calls.
15. Goals can be scored from any area of the rink.
16. Teams must give their opponents 1/2 ice after a goal is scored or an infraction takes place.
17. Games times TBD
18. In the event of a tie, during both qualifying and championship games, play will move to sudden death format. After the horn sounds, play will continue for up to 3 minutes of overtime until a goal is scored. If no goal is scored, the game will move to a sudden death shootout. Players will take turns taking penalty shots from in front of their own goal. During any round where one team makes a shot, and the other team misses, the game is over and the team who made the shot wins. If both teams miss, or if both teams make the shot, in any round, rounds continue until the game is over. A player may not take another penalty shot until all other players on his/her team have taken a shot.
19. All games are running-time and substitutions can be made during play ("on-the-fly") or while a puck is being retrieved. There is no stoppage of play after a goal is scored, or after a penalty is awarded. It is up to each team to ensure that there are only four players on the ice.
20. Setting picks in offensive zone is not allowed. Deference will be given to a defender in front of their own net where their progress is impeded by the pick or interference of an offensive player.
21. It is the responsibility of the team captain to ensure the correct game score has been logged on the score sheet.
22. In the event of a forfeit during pool play of any division, the team who did not forfeit will receive a win and, for tie breaker purposes, will be assigned a goals for and goals against total for that game equal to the averages of their other pool play games. These will be assigned at the conclusion of the pool play round when advancement is being determined.
